Provider Profile

Information provided by the provider describing their agency:

Applied Behavioral Sciences, LLC (ABS) is committed to providing high quality psychological services. The licensed clinicians at ABS have extensive experience in areas of psychological and forensic/risk assessments, psychotherapy, substance abuse treatment and behavioral assessment/consultation for a variety of populations.

ABS emphasizes a positive behavioral support approach and “minimally- necessary” use of psychotropic medication. Treatment plans start with a thorough psychological evaluation and functional analysis to identify how best to teach new/adaptive behaviors. The resultant behavior plan is person centered, individualized and emphasizes proactive/preventative measures as a way of increasing desired behavior and decreasing behaviors of concern.
